PROFILE

User Experience Designer and Engineer with an Interactive Media background and over 5 years of experience turning complex user needs into intuitive, elegant digital products. Fluent across the full design-to-development pipeline, from user research and Figma prototyping to production-ready React and Tailwind implementation. Skilled in design systems, iconography, typography, and modern design principles, with a creative, curious, and detail-driven approach to solving user problems.

EXPERIENCE

Senior UI/UX Engineer Mar 2025 – August 2026
Xyicon | Colombo, Sri Lanka

- Lead end-to-end UI/UX delivery for key product areas, from user research and wireframes through to production-ready front-end code.
- Led the design and rollout of a major product version launch, owning the UI/UX overhaul from concept through release.
- Lead and mentor a cross-functional team extending beyond UI/UX engineers, building onboarding and training plans and tracking progress to accelerate ramp-up.
- Define and maintain design guidelines and component libraries to ensure visual and interaction consistency across the product.
- Partner closely with product and engineering teams to translate user needs into scalable, accessible interfaces.

UI/UX Engineer Mar 2023 – Mar 2025
Xyicon | Colombo, Western Province, Sri Lanka

- Designed and built responsive, pixel-perfect interfaces using Figma, React, and Tailwind.
- Conducted usability testing and iterated on designs based on user feedback and data.
- Collaborated cross-functionally to ship features from concept to release.

Associate UI/UX Engineer Dec 2021 – Mar 2023
Xyicon | Colombo, Sri Lanka

- Contributed to interface design and front-end development for core product features.
- Supported research and testing efforts to validate design decisions early in the process.

Trainee Associate UI/UX Engineer Jun 2021 – Dec 2021
Xyicon | Colombo, Western Province, Sri Lanka

- Assisted senior designers with wireframing, prototyping, and visual design tasks, gaining hands-on exposure to the end-to-end UX workflow.
