

THARINDU MUNASINGHE

Senior UI/UX Engineer | Product Designer | Design Systems & Front-End Specialist

Colombo, Western Province, Sri Lanka | +94 77 268 1057 | tumune2119@gmail.com | [LinkedIn](#) | [Portfolio](#)

PROFILE

Senior UI/UX Engineer and Product Designer with 5+ years of experience delivering end-to-end, user-centered design solutions across the full product lifecycle, from user research, information architecture, and interaction design through high-fidelity prototyping and production-grade front-end implementation. Proven track record leading design system strategy, driving accessibility (WCAG) and usability best practices, and translating complex user needs into intuitive, scalable, and visually polished digital experiences. Adept at cross-functional collaboration with product, engineering, and stakeholders in fast-paced Agile environments, with hands-on leadership mentoring and scaling design and engineering talent.

CORE COMPETENCIES

- UX Design:** User-Centered Design (UCD), Design Thinking, User Research, User Personas, Journey Mapping, Information Architecture, Wireframing, Interaction Design (IxD), Usability Testing, Heuristic Evaluation, A/B Testing, Accessibility (WCAG 2.1)
- UI & Visual Design:** High-Fidelity Prototyping, Design Systems & Component Libraries, Design Tokens, Atomic Design, Iconography, Typography, Visual Design, Responsive & Mobile-First Design, Micro-interactions
- Front-End Engineering:** React.js, Tailwind CSS, HTML5, CSS3, JavaScript (ES6+), Responsive Web Development, Cross-Browser Compatibility, Design-to-Code Handoff, Pixel-Perfect Implementation
- Tools & Platforms:** Figma, Adobe XD, Photoshop, Illustrator, Microsoft Azure, Version Control (Git)
- Leadership & Process:** Cross-Functional Team Leadership, Mentoring & Coaching, Onboarding Program Design, Agile/Scrum Delivery, Stakeholder Management, Design QA, Roadmap Planning

PROFESSIONAL EXPERIENCE

Senior UI/UX Engineer <i>Xyicon Colombo, Sri Lanka</i>	<i>Mar 2025 – Aug 2026</i>
- Own end-to-end UI/UX strategy and delivery for key product areas such as leading user research, wireframing, and interaction design through to production-ready, pixel-perfect front-end code. - Spearheaded the design and rollout of a major product version launch, driving the full UI/UX overhaul from concept and design system definition through release, improving product consistency and user satisfaction. - Lead and mentor a cross-functional team of designers and engineers, architecting onboarding and training programs and tracking progress metrics to accelerate ramp-up and elevate team design maturity. - Define, document, and maintain scalable design guidelines, UI kits, and component libraries to ensure visual and interaction consistency across the product ecosystem. - Partner closely with Product and Engineering leadership to translate complex user needs into accessible, scalable, data-informed interfaces, aligning design decisions with business goals.	
UI/UX Engineer <i>Xyicon Colombo, Western Province, Sri Lanka</i>	<i>Mar 2023 – Mar 2025</i>
- Designed and built responsive, pixel-perfect, accessible interfaces using Figma, React, and Tailwind CSS, ensuring seamless design-to-development handoff. - Conducted usability testing and heuristic evaluations, iterating on designs based on qualitative user feedback and quantitative product data to continuously improve UX outcomes. - Collaborated cross-functionally with product managers and engineers to ship user-centered features from concept to release within Agile sprint cycles.	
Associate UI/UX Engineer <i>Xyicon Colombo, Sri Lanka</i>	<i>Dec 2021 – Mar 2023</i>
Contributed to interface design and front-end development for core product features, applying modern design principles and interaction patterns.	

- Supported user research and usability testing efforts to validate design decisions early in the product development process.

Trainee Associate UI/UX Engineer

Jun 2021 – Dec 2021

Xyicon | Colombo, Western Province, Sri Lanka

- Assisted senior designers with wireframing, prototyping, and visual design tasks, gaining hands-on exposure to the end-to-end UX design and product development workflow.

CERTIFICATIONS

- Digital Skills: User Experience — Accenture

EDUCATION

SLIIT (Sri Lanka Institute of Information Technology), Malabe

B.Sc. Special Honours Degree in Information Technology, specializing in Interactive Media (2017 – 2021)

Research: Co-authored "Assist" (rendering, pipeline management, and pipeline tracking system) - presented at ICAC 2020

Trinity College, Kandy

Advanced Level (2016) · Ordinary Level (2013)
